

Case Study: Baraka of Counselling – PRINCE2® Foundation Training Success Story

theknowledgeacademy

Zakia Nazir

Mind Management Coach
Baraka of Counselling

Why?

Zakia Nazir, Mind Management Coach at Baraka of Counselling, **wanted to increase her earning potential** and **gain an internationally recognised qualification** to support work on projects beyond her own organisation. Her goal was to expand her opportunities and work with big companies.

Solution

Zakia chose **The Knowledge Academy** to complete the PRINCE2® Foundation training. The course content suited her existing knowledge and experience, which made the learning process more effective.

Experience

Zakia described her experience as **excellent**. She rated the course content **10 out of 10** and praised the trainer for exceeding expectations. She found the sessions well-structured and easy to understand.

Outcome

The training has **strengthened Zakia's confidence in applying PRINCE2® principles** and strengthened her confidence in moving forward with the certification process.

Results

- **Quality of Course Content:** 10/10
- **Trainer Feedback:** Exceeded expectations
- **Booking Experience:** Excellent

Client Testimonial

Zakia Nazir

Mind Management Coach, Baraka of Counselling

“The training experience was excellent and well delivered. The course content suited my knowledge and experience. I would definitely recommend The Knowledge Academy for those looking to gain recognised qualifications.”
