Why?

Ahmet Baristiran, Owner of Baristiran Ltd, wanted to **strengthen his ability to support clients with their transformation projects and programmes**. His objective was to adopt a more structured and consistent approach to project delivery while improving overall client outcomes.

Solution

Ahmet chose **The Knowledge Academy** to complete the PRINCE2® Foundation & Practitioner training. His decision was influenced by the **course material, the delivery approach**, and the **positive recommendations** he had read online. The training equipped him with a strong understanding of the PRINCE2® framework for practical use in client-led projects.

Experience

Ahmet described his training experience as **very enjoyable**. He rated the course content **10 out of 10** and shared that the trainer exceeded his expectations by being patient, engaging, and entertaining with the whole group throughout the sessions.

Outcome

The training improved Ahmet's ability to manage work more **effectively by applying the PRINCE2® framework to his projects**. It also enhanced the way he structures, plans, and delivers work for his clients, giving him greater confidence in his project approach.

Results

- **Quality of Course Content:** 10/10
- **Trainer Feedback:** Exceeded expectations
- **Booking Experience:** Smooth and supportive
