

# Case Study: Evolution – PRINCE2® Foundation & Practitioner Training Success Story

theknowledgeacademy | Evolution

## Craig Pickard

Senior Compliance Specialist - Global Projects  
Evolution

### Why?

Craig Pickard, Senior Compliance Specialist – Global Projects at Evolution, **wanted to deepen his project management experience** to better manage complex operational challenges. He aimed to improve his approach to project delivery and structured planning.

### Solution

Craig chose **The Knowledge Academy** to complete the PRINCE2® Foundation & Practitioner Training after receiving a recommendation from a colleague. The course provided structured learning in PRINCE2® methodologies, project governance, and best practices for managing projects effectively.

### Experience

Craig described the training experience as **very good** and rated the course content **10 out of 10**. He shared that the trainer exceeded his expectations and delivered the sessions in a clear and engaging manner. He also highlighted the great booking experience and appreciated the clear communication throughout.

### Outcome

The training **enhanced Craig's project management capability** and strengthened his approach to handling complex workplace initiatives and challenges. It also improved his confidence in applying structured project management practices across different projects.

### Results

- **Quality of Course Content:** 10/10
- **Trainer Feedback:** Exceeded expectations
- **Booking Experience:** Great

### Client Testimonial

## Craig Pickard

Senior Compliance Specialist – Global Projects, Evolution

“The training experience was very good, and the sessions were delivered clearly and professionally throughout. The course content was excellent, and the trainer exceeded my expectations throughout the training. I would highly recommend The Knowledge Academy for its quality training and smooth learning experience.”
