

# Case Study: GKN Aerospace – Effective Communication Training Success Story

theknowledgeacademy

**Mohit Kumar Mor**

Senior Design Engineer

GKN Aerospace

## Why?

Mohit Kumar Mor, a Senior Design Engineer at GKN Aerospace, **wanted to enhance his communication skills to support his professional development.** He wanted to foster effective collaboration in his role.

## Solution

Mohit completed the Effective Communication Skills training with **The Knowledge Academy** to enhance workplace communication skills. The training was arranged by his organisation to support team development.

## Experience

Mohit described the training experience as **good**. He rated the course content **9 out of 10** and shared that the trainer met his expectations. The training provided communication techniques that can be applied in the workplace.

## Outcome

The training **strengthened Mohit's communication skills** and improved his ability to interact effectively with his team members. It also supported better collaboration and more confident participation in professional discussions.

## Results

- **Quality of Course Content:** 9/10
- **Trainer Feedback:** Met expectations
- **Booking Experience:** Managed smoothly by organisation

## Client Testimonial

**Mohit Kumar Mor**

Senior Design Engineer, GKN Aerospace

“The training provided valuable insights for improving my communication skills. The trainer explained the concepts clearly and made the sessions engaging. I would recommend The Knowledge Academy for its well-structured training and practical approach to learning.”
