Web Designer

Limitoweb Technologies

Why?

Saniya Arif Shaikh, a Web Designer at Limitoweb Technologies, **wanted to build expertise in risk management as part of her career transition**. Her goal was to gain hands-on knowledge that would help her prepare for opportunities in a different field.

Solution

Saniya chose **The Knowledge Academy** to complete the ISO 31000 Lead Auditor Training due to its convenient scheduling options and cost-effective pricing. The course provided a structured introduction to ISO 31000 and key risk management principles.

Experience

Saniya described the training as **amazing** and rated the course content **10 out of 10**. She shared that the trainer was very knowledgeable and had a friendly approach, which made the learning experience more engaging.

Outcome

The training **gave Saniya foundational knowledge in risk management** to support her career advancement. It also prepared her to explore new opportunities and apply her learning in future roles.

Results

- **Quality of Course Content:** 10/10
- **Trainer Feedback:** Met expectations
- **Booking Experience:** Smooth and supportive

Client Testimonial

Saniya Arif Shaikh

Web Designer, Limitoweb Technologies

“The training was a positive experience. The trainer explained the concepts clearly and created a comfortable learning environment. I would highly recommend The Knowledge Academy to others for its helpful support and well-structured training.”
