Maben Nidhi Limited

## Why?

Choison Shaju, an IT Auditor and Data Security Officer at Maben Nidhi Limited, **wanted to expand his knowledge of data protection and privacy** to better manage sensitive information. He aimed to strengthen data handling practices and support regulatory requirements within the organisation.

## Solution

Choison chose **The Knowledge Academy** to complete the Certified Data Protection Officer (CDPO) training based on its strong reputation and well-structured course content. The training offered practical insights into data protection practices and delivered knowledge relevant to current workplace requirements.

## Experience

Choison described the training experience as **positive** and rated the course content **9 out of 10**. He found the sessions clear, engaging, and easy to follow, and appreciated the trainer's use of practical real-world examples. The structured approach helped him understand complex topics more confidently.

## Outcome

The training **strengthened Choison's understanding of data protection principles**, enabling him to apply them in daily work, identify risks, and improve the handling of sensitive information. It also created a shared framework within the team, enhancing collaboration, confidence, and awareness in managing data-related tasks.

## Results

- **Quality of Course Content:** 9/10
- **Trainer Feedback:** Met expectations
- **Booking Experience:** Managed smoothly by organisation

## Client Testimonial
