OEG Subsea – CIPS Level 2 Certificate in Procurement and Supply Operations Training Success Story

theknowledgeacademy | 

Chris Wheeler

Head of Procurement & Logistics
OEG Subsea

Why?

Chris Wheeler, Head of Procurement & Logistics at OEG Subsea, **wanted to improve procurement and negotiation knowledge** through structured learning opportunities. He also aimed to help his team feel valued within the organisation and support their long-term professional growth.

Solution

Chris chose **The Knowledge Academy** to complete CIPS Level 2 Certificate in Procurement and Supply Operations Course, Procurement Training & Certification Course and Negotiations Skills training.

His decision was influenced by OEG's existing relationship with The Knowledge Academy and the availability of relevant courses. The courses provided practical learning relevant to procurement and negotiation responsibilities in the workplace.

Experience

Chris described the training experience as **very positive** and rated the course content **10 out of 10**. He shared that both trainers delivered engaging sessions despite having different teaching styles, which kept the learning experience interactive and effective. He also appreciated the simple process and continuous support throughout the training.

Outcome

The training **provided practical procurement and negotiation knowledge** relevant to workplace responsibilities. It also strengthened confidence and contributed to the continued development of Chris's team within the organisation.

Results

- **Quality of Course Content:** 10/10
- **Trainer Feedback:** Met expectations
- **Booking Experience:** Managed smoothly by organisation

Client Testimonial

Chris Wheeler 

Head of Procurement & Logistics, OEG Subsea

“The training experience was very positive, and both trainers delivered engaging sessions that kept the learning interesting and practical. The courses were relevant and provided valuable knowledge that could be applied in everyday work. I would recommend The Knowledge Academy for its simple process and excellent support throughout the training.”
