

Case Study: ONAS Life Sciences – PMP® Training Success Story

theknowledgeacademy

Kenny Bielen

Freelance Project Manager
ONAS Life Sciences

Why?

Kenny Bielen, a Freelance Project Manager, **wanted to expand his Project Management experience** to support his ongoing professional development. He chose to validate his skills through a recognised qualification.

Solution

Kenny selected the PMP® Certification from **The Knowledge Academy** based on the quick communication, good discount, and smooth user experience. The course provided comprehensive Project Management knowledge aligned with global standards.

Experience

Kenny described the training as **superb** and rated the course content **8 out of 10**. He praised that the trainer was highly knowledgeable and kept responses clear and to the point.

Outcome

The training **deepened Kenny's understanding of Project Management principles**. It equipped him with new insights to apply in real project environments.

Results

- **Quality of Course Content:** 8/10
- **Trainer Feedback:** Met expectations
- **Booking Experience:** Good

Client Testimonial

Kenny Bielen

Freelance Project Manager, ONAS Life Sciences

“The training was very informative and provided valuable new insights. The trainer was knowledgeable and explained concepts clearly and concisely. I would recommend The Knowledge Academy for its quality course and well-organised training delivery.”
