

# Case Study: Oxford Biomedica – PMP Training Success Story

## Agata Patel

Client Project Manager  
Oxford Biomedica

### Why?

Agata Patel, a Client Project Manager at Oxford Biomedica, wanted to obtain her **PMP** certification to **strengthen her project management expertise** and grow in her professional role. She sought structured training that would expand her skills, boost confidence, and help her deliver projects more effectively.

### Solution

Agata chose **The Knowledge Academy** for its competitive pricing and approachable support team. The PMP training provided a clear and comprehensive framework for understanding project management principles, tools, and methodologies aligned with PMI standards.

### Experience

Agata described her experience as highly positive. She rated the course **9 out of 10**, noting that she learned a lot and enjoyed interacting with her group, exchanging valuable professional experiences. She shared that her trainer **exceeded expectations**, delivering the sessions efficiently, engagingly, and with deep expertise. The booking process was smooth and well-managed.

### Outcome

The PMP course equipped Agata with the **practical skills and methodologies needed to manage projects** more effectively. She plans to apply the knowledge gained to her day-to-day responsibilities, ensuring more structured planning, risk management, and delivery outcomes within her organisation.

### Results

- **Quality of Course Content:** 9/10
- **Trainer Feedback:** Exceeded expectations
- **Booking Experience:** Good and efficient

### Client Testimonial

## Agata Patel

Client Project Manager, Oxford Biomedica

“The PMP training was a great experience with excellent value. The tutor exceeded my expectations, and the sessions were well-structured and engaging. I’ll be applying what I’ve learned to my day-to-day job.”
