

Case Study: Powertek Utilities – Microsoft Project Training Success Story

theknowledgeacademy

John Aitken

Operations Director
Powertek Utilities Ltd

Why?

John Aitken, Operations Director at Powertek Utilities Ltd, **wanted to update his knowledge of Microsoft Project** to support more effective project planning and delivery.

Solution

John chose **The Knowledge Academy** to complete the Microsoft Project training course. The flexibility of the online format helped him balance the training alongside his work commitments.

Experience

John described the training experience as **excellent**. He rated the course content **10 out of 10** and found it well presented and easy to understand. He also noted that the trainer exceeded expectations in terms of delivery and clarity.

Outcome

The training **helped improve John's project management skills**. It also supported stronger planning and structure in his day-to-day work.

Results

- **Quality of Course Content:** 10/10
- **Trainer Feedback:** Exceeded expectations
- **Booking Experience:** Managed smoothly by organisation

Client Testimonial

John Aitken

Operations Director, Powertek Utilities Ltd

“The training was excellent. The content was very well presented and easy to understand. I would recommend The Knowledge Academy based on the quality of the training.”
