

Case Study: Saudi Retail Academy – Creating Effective Stakeholder Engagement Training Success Story

theknowledgeacademy

Lamis Sangora

Retail Trainer
Saudi Retail Academy

Why?

Lamis Sangora, a Retail Trainer at the Saudi Retail Academy, **wanted to strengthen her understanding of stakeholder engagement**. Her aim was to refresh her knowledge, gain clearer insight into key focus areas, and enhance how she engages with stakeholders.

Solution

Lamis chose **The Knowledge Academy's** Creating Effective Stakeholder Engagement Training due to the reputation of its skilled trainers. The course offered well-structured topics which aligned with her goals of enhancing stakeholder engagement and upskilling.

Experience

Lamis described her training experience as **highly positive**. She rated the course content **10 out of 10**, highlighting the clarity of the topics and the trainers' strong expertise. She found the sessions well organised, engaging and easy to follow.

Outcome

The training **helped Lamis enhance her stakeholder engagement knowledge** and strengthened her understanding of effective engagement practices. She is now better prepared to apply structured approaches within her professional responsibilities.

Results

- **Quality of Course Content:** 10/10
- **Trainer Feedback:** Exceeded expectations
- **Booking Experience:** Easy and smooth

Client Testimonial

Lamis Sangora 

Retail Trainer, Saudi Retail Academy

“The focused curriculum and well-structured topics were very beneficial. The trainers demonstrated a high level of skill and competence throughout the training. I would highly recommend The Knowledge Academy for its professional delivery and quality learning experience.”
