

# Case Study: Total Safety Arabia – NEBOSH IGC Training Success Story

**Sabeur Ammar Bouchahoua**  
Safety Supervisor  
Total Safety Arabia

## Why?

Sabeur Ammar Bouchahoua, a Safety Supervisor at Total Safety Arabia, **wanted to strengthen his expertise in health and safety** and explore new career opportunities. He aimed to deepen his understanding of risk assessment and safer working practices.

## Solution

Sabeur chose **The Knowledge Academy** to complete the NEBOSH International General Certificate in Occupational Health and Safety training due to its strong reputation, practical course content, and relevance to his role in health and safety. The course provided structured learning in workplace safety, hazard management, and risk assessment practices.

## Experience

Sabeur described the training as a **very positive** and **valuable experience** and rated the course content **9 out of 10**. He found the sessions professional, well structured, and easy to follow. He also appreciated the smooth and professional booking experience throughout the training process.

## Outcome

The training **improved Sabeur's knowledge and skills in health and safety** and strengthened his ability to apply safer working practices more effectively. It also enhanced his understanding of risk assessment and workplace hazard management.

## Results

- **Quality of Course Content:** 9/10
- **Trainer Feedback:** Met expectations
- **Booking Experience:** Smooth and professional

## Client Testimonial

**Sabeur Ammar Bouchahoua**

Safety Supervisor, Total Safety Arabia

“The training was professional, well structured, and highly valuable for career development. It improved my understanding of health and safety practices and helped me apply safer working methods more effectively. I would strongly recommend The Knowledge Academy for its practical and career-focused training.”
